About WIC:

The Women, Infants, and Children (WIC) Program is a federally funded program that provides healthy foods and nutrition counseling to pregnant women, new mothers, infants and children under age five. The program has an extraordinary 30-year record of preventing children's health problems and improving their long term health, growth and development.

As a participant on WIC, you will receive:

- Checks for Free Healthy Food
- Nutrition Education
- Breastfeeding Support
- Referrals to other health and social agencies

At CCI-WIC you will learn:

- How to use WIC foods to improve your family's diet.
- About healthy tips for a healthy pregnancy.
- About healthy eating habits for your children.
- About breastfeeding benefits and techniques.
